[4/21/21, 8:06:52 PM] JNS Service Joel NY Gloves: Good Evening...

How's everything?

Are you already getting your orders on the contract?

[4/21/21, 8:07:53 PM] JNS Service Joel NY Gloves: This message was deleted.

[4/21/21, 8:08:26 PM] JNS Service Joel NY Gloves: Would you need more OTG?

[4/21/21, 8:10:18 PM] Tommy H. Kato: Joel if you give us some credit for 3 days we can take an unlimited supply for you.

When are you going to trust us with 2/3 containers

[4/21/21, 8:13:19 PM] JNS Service Joel NY Gloves: Can I possibly get a PO direct from a Hospital?

Or some other sort of security...

[4/21/21, 8:15:08 PM] Tommy H. Kato: A personal guaranty from me and Rock Fintek in the US is collectible.

[4/21/21, 8:15:35 PM] Tommy H. Kato: We can get 2 more tomorrow and deliver the to chicago and get pay 24/48 hours

[4/21/21, 8:16:59 PM] JNS Service Joel NY Gloves: Okay, that's something to consider...

Especially if backed by assets and/or solid Financials

[4/21/21, 8:19:31 PM] JNS Service Joel NY Gloves: If we don't bump-in in the other contract... we might also have another large quantity OTG besides my containers.

However I would like to get connected directly unless it's pre-paid cod.

[4/21/21, 8:20:15 PM] Tommy H. Kato: I would never introduce anyone to any of my clients.

[4/21/21, 8:20:30 PM] Tommy H. Kato: We picked up another 150k boxes today.

BTW Would you know if I can get credit insurance on your purchase?

That might be an option as well

[4/21/21, 8:22:45 PM] JNS Service Joel NY Gloves: Great!

[4/21/21, 8:24:13 PM] JNS Service Joel NY Gloves: Let me think about it, I guess if there's a will we'll find the way...

[5/7/21, 3:13:11 PM] JNS Service Joel NY Gloves: as i just told Brad, i can help you get one container on your Amex on Monday either thru Adorama or thru another source, so you'll get your money's worth

[5/7/21, 3:15:06 PM] Brad: Joel, Ana is sending wire. Confirm the 2 containers for today.

[5/7/21, 3:15:13 PM] Brad: Where the pick up will be

[5/7/21, 3:16:28 PM] Tommy H. Kato: I told you not to reverse it as we paid it already.

[5/7/21, 3:16:49 PM] Tommy H. Kato: And you continued to reverse it. The transaction had been cleared.

[5/7/21, 3:17:11 PM] Tommy H. Kato: Now your funds for that container are with Amex.

[5/7/21, 3:19:29 PM] JNS Service Joel NY Gloves: we had a long conversation with me and Brad, i explained to him that i don't have merchant services and there was no way of getting it deposited into my account.

since the payment was already done i tried setting up myself and was refused

[5/7/21, 3:20:13 PM] JNS Service Joel NY Gloves: even i set up a new merchant account with your guy i wont be able to retrieve this charge into another merchant service account, i'm sure you know that

[5/7/21, 3:21:49 PM] JNS Service Joel NY Gloves: I'm using this 3rd party app just for invoicing and they're promoting everyone to pay by their link because this is how they make money, i wasn't set up for that, and this is not what we've agreed on,

sorry

[5/7/21, 3:23:32 PM] JNS Service Joel NY Gloves: I'm glad that after spending an hour with their app support team i was able to get you a refund!

otherwise we would be waiting for weeks...

[5/7/21, 3:27:09 PM] Brad: Joel, have you confirmed the warehouse for pick up today?

[5/7/21, 3:36:28 PM] Tommy H. Kato: American Express does not have the transaction canceled

[5/7/21, 3:36:33 PM] JNS Service Joel NY Gloves: I just spoke with warehouse people in NJ, the people are gone for the day and the night shift is coming in late tonight, She told me she will call me in a few if there's a way to make it work still now.

in the same time we've containers ready for pick up in LA that we could potently get today.

[5/7/21, 3:42:07 PM] JNS Service Joel NY Gloves: it's funny but it seems like i have teach you merchant services :)

in my experience it may take up to one full business day for AmEx to see the refund in process, the merchant has to process the batch out first

and may take up to 5 business days for a refund to show up in your account.

and i do have years of experience with merchant business...

[5/7/21, 3:43:39 PM] Brad: Joel, I'm trying to get trucks in LA. Can we get the 2 containers there?

[5/7/21, 3:43:45 PM] Tommy H. Kato: I would presume for a \$300k transaction, they would batch out the minute you got off the phone with them. It takes 1 minute to do that.

[5/7/21, 3:44:02 PM] Tommy H. Kato: They can batch out every hour if they want.

[5/7/21, 3:44:19 PM] Tommy H. Kato: The ey also can call Amex and make them aware of a large reversal.

[5/7/21, 3:45:05 PM] Tommy H. Kato: These things were not done. You're causing me issues with my card and a whole day of headaches on a matter that is worthless

[5/7/21, 3:52:44 PM] JNS Service Joel NY Gloves: Tom. you're a very nice man and i feel bad for your frustration, I'm sorry for you,

however it seems like you're missing some very important facts here...

feel free to call me and will explain you.

Best Regards

[5/7/21, 3:53:10 PM] JNS Service Joel NY Gloves: and please don't forgot what i sent you that day

[5/7/21, 4:51:37 PM] Brad: Please release the containers for today.

[5/7/21, 4:52:03 PM] Brad: Trucks are waiting on our clock, it is expensive to have them sit there.

[5/7/21, 5:30:51 PM] JNS Service Joel NY Gloves: I cleared the load for you.

[5/10/21, 8:25:48 PM] Tommy H. Kato: This message was deleted.

[5/10/21, 8:26:27 PM] Tommy H. Kato: One payment was made to Amex. That cannot be paid until it's returned. We do not have extra funds, you are aware of that.

[5/11/21, 12:47:20 PM] JNS Service Joel NY Gloves: Good Afternoon

[5/11/21, 12:48:23 PM] JNS Service Joel NY Gloves: please provide status update

[5/11/21, 4:06:04 PM] JNS Service Joel NY Gloves: Hi:

Following my conversation earlier with Brad...

Thank you for the payment so the last large invoice is now paid, we've left the one from Friday and the 322k

[5/11/21, 4:27:24 PM] JNS Service Joel NY Gloves: i'm exploring a few options about the CC that i'll follow up as soon as i have an update, meanwhile i need to know the following:

- 1) which type card will we be using, a personal or a business card?
- 2) is it okay to use at an construction supply company?
- 3) also we'll need a signed letter to avoid a chargeback and pay the 3% as agreed.

Please Confirm, Thank You

[5/11/21, 4:41:00 PM] JNS Service Joel NY Gloves: This message was deleted.

[5/11/21, 4:44:24 PM] JNS Service Joel NY Gloves: also we've discussed about a lower price...

So first let me please explain you something:

I truly appreciate your business and looking forward for a long term relationship, however I know for a fact that after all msg from different brokers there isn't much Goods OTG momentarily, i've personally validated a nice few offers and couldn't got a single container to inspect, People are bringing in on the water... maybe next month... but for the time being there isn't much more goods OTG, We even got another offer for the \$12.00 range.

another point to consider is, Credit!!! i'm sure you've realised what an opportunity i'm bringing you to the table of opening another sales counter...

Now: if you would offer me cash upfront for a better price i would seriously consider it, however since you wanna get it for credit that i've to carry it on my borden, I really can't afford to go lower and i believe you got a good deal

[5/11/21, 4:45:33 PM] Tommy H. Kato: The Amex is a business card and they can give us an invoice for materials (gloves).

[5/11/21, 4:48:08 PM] Tommy H. Kato: You seen our contract with Adorama and know after our rebate we will be paying \$10.75.

We also have other replaces to buy Medcare at similar prices.

You understand we cannot and will not continue to pay more than \$10.75.

If the market has buyers for you at hire prices, we understand that you will not sell to us and are ok with it.

If you want to sell any at \$10.75 we will take as many as you want to give us each week.

[5/11/21, 4:53:25 PM] JNS Service Joel NY Gloves: and btw Tom, let's be open please...

you got me involved in that issue that i strongly believe i deserve some credit for it.

beside the fact that within that conversation last week you offered me something...  
(i'm not sure what you had in mind)

and for sure not to be on the hook because of them...

So please be so considerate and honor our previous arrangements.

Thanks

[5/11/21, 4:55:37 PM] JNS Service Joel NY Gloves: Would you show me a real supplier for that price range for Goods OTG for that price range ?

[5/11/21, 4:56:09 PM] JNS Service Joel NY Gloves: we can supply you now 1 M boxes OTG as soon as you're ready

[5/11/21, 5:10:14 PM] JNS Service Joel NY Gloves: we need to pay someone today for such an amount, so we've an opportunity to use your card.

Are you ready to do it today?

[5/11/21, 5:14:25 PM] Tommy H. Kato: I am not ready to move forward Joel.

[5/11/21, 5:16:13 PM] JNS Service Joel NY Gloves: I'm talking about the cc now, thought you wanna get the cc issue resolved, are we not on the same page?

[5/11/21, 5:22:49 PM] JNS Service Joel NY Gloves: i don't wanna miss this opportunity please

[5/11/21, 5:28:53 PM] JNS Service Joel NY Gloves: So?

[5/11/21, 7:43:32 PM] JNS Service Joel NY Gloves: BTW, my friend ask me if you would be willing to team up and help him get back his 1 m in vietnam?

[5/12/21, 1:15:09 AM] JNS Service Joel NY Gloves: GM

FYI let me add some food for Thought...

We got the majority of the goods OTG 2nd hand at a higher cost, so really we can't even sell them much cheaper,

still, if you would be committed to anything with a deposit, we would at least gain in the long run on the Volume.

but here you're looking to pick up based on Credit only without any commitment, i'm looking for some assurance at the back end.

and AFTER-ALL if you keep up buying Steady I'm ready to offer you a rebate to lower your cost.

Sincerley

[5/12/21, 1:46:23 AM] JNS Service Joel NY Gloves: please clarify the following:  
on Monday 5/12 i've seen your payment of 200k pending but now it's not showing up,  
was it canceled?

[5/12/21, 1:46:58 AM] JNS Service Joel NY Gloves: now i just see this one pending,  
hope it will go thru

[5/12/21, 1:53:03 AM] JNS Service Joel NY Gloves: also you ask me for my help with  
your CC, and per your direct request i've spend some time, made several unpleasant  
calls and finally got a solution for you, this opportunity expires in the morning of  
Today Wed.

i would really appreciate a better communication.

Thank You

[5/12/21, 4:45:51 AM] Brad: The payment was wired to you for \$200,000 and confirmed  
by you. How could we pull a wire back? I'll asl our accounting area, however this  
does not make sense.

[5/12/21, 4:54:55 AM] Brad: Regarding the other offers, rebates, etc. we are not  
interested at this time. We are a buyer at \$10.75.

Also, we appreciate the offer of credit and enjoy working with you. The numbers  
don't work at 11.50 or even 11.00. We are running a business, like you, and the  
numbers are not working.

[5/13/21, 1:43:26 PM] Brad: Seems egregious

[5/13/21, 1:47:53 PM] JNS Service Joel NY Gloves: Good Question, I'm not sure but i believe it was 4 people for 4 hours paid time and half, plus the manager..

Still please call them and negotiate whatever you can.

❖

Let's follow up on this next week

[5/21/21, 4:10:05 PM] JNS Service Joel NY Gloves: What's the story here 🤔

[5/21/21, 4:45:59 PM] Tommy H. Kato: The issue is Amex returned the charge, but gave us a credit. We need cash not a credit. We are expecting a surplus of invoices to be paid by today or Monday the latest and are paying you from that.

[5/21/21, 4:47:09 PM] JNS Service Joel NY Gloves: thanks for your reply, but I'm sorry that's not acceptable and i'll tell you why

[5/21/21, 4:48:12 PM] Tommy H. Kato: With all respect, if I had the funds to send you now I would. Your funds I don't have.

[5/21/21, 4:48:28 PM] Tommy H. Kato: It will not be later then Monday

[5/21/21, 4:48:50 PM] JNS Service Joel NY Gloves: first of all, the lack of open communication is becoming a serious issue and leads to negative taughts

[5/21/21, 4:49:51 PM] JNS Service Joel NY Gloves: next, it took you till now to come up with this excuse, Please, Come on, we're grown ups...

[5/21/21, 4:50:34 PM] JNS Service Joel NY Gloves: 3rd, i know for a fact that you got cash flow but decided to take advantage from me, it's not fair

[5/21/21, 4:55:13 PM] JNS Service Joel NY Gloves: 4) the CC issue shouldn't be my problem from the begin with,

not in the first point when it was used, and for sure not when it was paid premature.

and after all i was taken for a long ride..

how long still will i be hold hostage?

[5/21/21, 4:56:36 PM] JNS Service Joel NY Gloves: 5) i offered you to take your card or use your card at Adorama

[5/21/21, 5:04:57 PM] Tommy H. Kato: I was saving you the trouble from taking the card

[5/21/21, 5:05:59 PM] JNS Service Joel NY Gloves: i truly appreciate it but i need to get paid.

still i can possibly accept the card thru one of my partners "Project Supplies" a supply company.

i'll try to get a link

[5/21/21, 5:06:52 PM] JNS Service Joel NY Gloves: the main part that bothers me is the miscommunication...

[5/21/21, 5:07:36 PM] JNS Service Joel NY Gloves: I've trust you with over a million dalliers value and i feel mistreated, sorry

[5/21/21, 5:12:12 PM] JNS Service Joel NY Gloves: do you remember when you said: Joel, don't bother with insurance, trust me you'll be paid 48 hours after delivery. Now, 3 weeks later

[5/21/21, 5:13:31 PM] JNS Service Joel NY Gloves: and btw the card was for 300k and you holding 500k, how does this add up?

[5/21/21, 5:14:50 PM] Tommy H. Kato: Unfortunately, There are no additional funds available today.

[5/21/21, 5:16:55 PM] JNS Service Joel NY Gloves: i see it, but it's not fair to use my cash flow to do business with others...

and no excuse for the miscommunication, it's not right

[5/21/21, 5:18:56 PM] Tommy H. Kato: Your funds are with Amex

[5/21/21, 5:19:55 PM] JNS Service Joel NY Gloves: i personally disagree but if so let me see if you will at least give me the card to charge.. if you give me the numbers i might still try to charge it today.  
i won't have a link before Monday or Tuesday next week

[5/21/21, 5:20:34 PM] Tommy H. Kato: You will be paid Monday or Tuesday, otherwise I can wait forever Amex

[5/21/21, 5:20:41 PM] Tommy H. Kato: Wait for

[5/21/21, 5:21:07 PM] Tommy H. Kato: With all respect, there is no point to discuss further.

Have a nice weekend

[5/21/21, 5:22:13 PM] JNS Service Joel NY Gloves: seeing is believing, at least you replied to me now

[5/21/21, 5:22:50 PM] JNS Service Joel NY Gloves: I've commitments to pay people and you can't imagine what huge mass this is for me.

[5/21/21, 5:22:59 PM] JNS Service Joel NY Gloves: have a nice weekend!

[5/21/21, 5:57:20 PM] Tommy H. Kato: Have a great weekend also.

[5/24/21, 9:02:53 AM] JNS Service Joel NY Gloves: GM

[5/24/21, 9:03:07 AM] JNS Service Joel NY Gloves: .

[5/24/21, 9:46:11 AM] Brad: Good Morning Joel, Reviewing the POD and Invoice to make certain we picked up and delivered accurate amount. Should be confirmed shortly and payment will go out

[5/24/21, 2:01:43 PM] JNS Service Joel NY Gloves: Good Afternoon.

Thanks for your reply Bradley.

DO NOT REPLY

[7/19/21, 6:40:23 AM] Brad: Good Morning Joel.

We have identified the gloves that are failing tests and of poor quality (fake nitrile) are from you. When you approached us in the past to buy these gloves, we specifically said no. How you got these on our trucks and delivered to our client is unacceptable.

Furthermore we have identified these gloves were being offered at \$4.80 buy price, to move these fake gloves. Obviously you made a significant amount of margin to sell us these gloves.

We are having a meeting with our client to discuss full return and replacement of these fake nitrile gloves. We need you to find and replace these gloves as they are not what we agreed to buy. We will be orchestrating the return of the goods to you with full credit and replacement immediately.

[7/19/21, 7:26:24 AM] Tommy H. Kato: We also need to know which specific trucks these came from.

[7/19/21, 7:27:26 AM] Tommy H. Kato: The longer it takes to get this information the more severe this will become.

You must for the sake of many people act quickly.

Please help us solve this problem.

[7/20/21, 12:56:24 PM] Brad: Joel, why are you ignoring us?

[7/20/21, 12:56:35 PM] Brad: This is getting ugly and we need support from you.

[7/20/21, 12:58:47 PM] Brad: Please respond with all reports and testing of every single glove we picked up. If the client ramps up anymore pressure this is going legal, and you and JNS are squarely in the middle having sold us these gloves.

[7/20/21, 12:58:56 PM] Brad: Respond immediately

[7/20/21, 6:35:11 PM] Brad: Joel, you going dark on Rock Fintek and complaining to the Adorama and Hershey, etc isn't helping anything. The forensics is being done on where these came from and you, hershey kitchen winners, and Adorama are to blame. Fraud has been committed on Rock Fintek and our client. Sticking your head in the sand is an obvious admission while not cooperating is unprofessional. The absorbent money spent with you for "MedCare Examination Nitrile Gloves" and receiving anything less is fraud. Start coming up with a solution immediately. Also, hershey's group refusing to document their paperwork will have certain ramifications on the too. They owe Rock Fintek \$756,000.00 dollars and are extorting us to pay them further money to receive documentation on the quality of the gloves.
